

PARENT/GUARDIAN SIGNATURE FORM

I have read and discussed the Rules and Regulations sheet (green sheet) and I will assist my student in following them. I also realize that homework is assigned everyday. Students will need a 1.5 inch thick 3-ringed binder filled with graph paper and a TI-83 or 84 (any version) graphing calculator. For any other graphing calculator, the student must read the manual to learn how to do the required tasks.
